GIVING
TUESDAY

Nov 30, 2021

GivingTuesday is **TOMORROW!** This one-day event raises funds and encourages collaborations for non-profit organizations, like us. It was first created in 2012.

We would love to have your support so we can continue our great work of helping low-income individuals and families in this community. We administer a number of programs, including Early Childhood, Low Income Home Energy Assistance Program, Weatherization, Family Development and Self-Sufficiency, Child and Adult Care Food Program, George J. Williams Memorial Food Bank, Welcome Home, Child Care Nurse Consulting Services, Woodbury County General Assistance and Angel Cars.

Whether it's \$5 or \$500, every little bit helps our goal of "Helping People. Changing Lives."

Low-Income Home Energy Assistance Program

The Low-Income Home Energy Assistance Program (LIHEAP) has begun. In fiscal year, 2021, we helped nearly 3,000 households with their energy bills. LIHEAP runs from October 1 through April 30. This is a federally funded program through the U.S. Department of Health and Human Services. So far this year, we have helped more than 1,600 households, which equals nearly \$800,000 in federal aid to Woodbury County families who need it most. We Are Grateful...

This time of year we reflect on all of the things we are grateful for. This year, we could not be more grateful for the generosity of everyone who has donated to our programs. Without your support we would not be able to continue our work of "Helping People. Saving Lives." In the past couple of months, you have helped us by donating thousands of pounds of food or raising funds for our George J. Williams Memorial Food Bank. With your help in fiscal year 2021, we have helped put food on the table for more than 2,600 individuals.

This year, we celebrate the 10th Anniversary of Welcome Home. This program helps to

temporarily shelter homeless families. To date, we have also raised more than \$44,000 as we work with each family to find them a place to call their own.

As we gear up for the winter season, we are so grateful to many people that have already stepped up and donated new coats for children and adults. The Sioux City Firefighters' Union, IAFF Local 7, is currently holding a coat drive. There is still another week left in this drive. You can drop off a new coat at any of the fire stations, City Hall or SoHo Kitchen & Bar.

We would also like to thank all the volunteers for the thousands of hours they have put in to help beautify our properties and helping our program staff with various projects.

If you would like to donate to any of these programs, simply [click here](#). If you have any questions, please call Kim Wilson, Chief Development Officer at 712-274-1610 x206 or by email at kwilson@cassioouxland.org.
