PRE-EMPLOYMENT DRUG TESTING

As part of your application for employment at Community Action Agency of Siouxland, you will be required to have a pre-employment drug/alcohol test, at Mercy Business Health Services or at the office of a licensed physician designated by the Community Action Agency of Siouxland.

The Community Action Agency of Siouxland is concerned with the safety, health, and well being of all its employees, as well as the quality and integrity of its services. The use or misuse of alcohol, drugs, narcotics and/or controlled substances is inconsistent with these concerns and therefore we require applicants to undergo a pre-employment test for the presence of alcohol, drugs, and illegal substances. Positive test results will cause rejection of the applicant, unless there are extenuating circumstances; for example, a physician as part of an approved treatment program legally prescribes medications causing the positive result. We therefore require that you complete and sign this Consent and Release form.

CONSENT TO PRE-EMPLOYMENT TESTING AND RELEASE OF RESULTS

I, _____, do hereby consent to undergo a pre-employment drug/alcohol test, as part of my application for employment at the Community Action Agency of Siouxland. I understand that further consideration of my application will depend upon results of the drug and alcohol tests.

I further understand that the drug/alcohol tests are to be conducted at Mercy Business Health Services or at the office of a licensed physician designated by the Community Action Agency of Siouxland.

Further, I authorize the hospital, clinic, and/or testing facility to release to Community Action Agency of Siouxland, the results of such tests and I release the hospital, clinic, and/or testing facility, its doctors and medical personnel from any and all liability arising from the release or use of this information.
